

JOINT REFERRAL COMMITTEE

ABANDONMENT AND SALE OF EASEMENT

This application should be used to request the abandonment/removal of City-owned easements from private property. This application must be used for the abandonment and sale of sanitary sewer, water, storm sewer and utility easements. If there are public utilities currently located within the easement(s), the applicant may be required to relocate said utilities to a public street right-of-way and/or relocate the utilities to an easement conveyed back to the City of Houston. If the easement to be abandoned and sold is a utility easement, private utility companies must be contacted since they have the rights through Franchise Agreements with the City to locate facilities within public utility easements. All underlying fee-owners to the easement(s) to be abandoned and sold must consent to this transaction by signing the signature page of the JRC application. A sample application is available for reference.
